Please score your beer in this pub

Scoring your beer helps to

- monitor beer quality in pubs
- identify pubs for the *Good Beer Guide*

- 
- 0** No cask beer available.
- 1 Poor.** Beer that is anything from barely drinkable to drinkable with considerable resentment.
- 2 Average.** Competently kept, drinkable pint but doesn't inspire in any way, not worth moving to another pub but you drink the beer without really noticing.
- 3 Good.** Good beer in good form. You may cancel plans to move to the next pub. You want to stay for another pint and may seek out the beer again.

4 Very Good. Excellent beer in excellent condition.

5 Perfect. Probably the best you are ever likely to find. A seasoned drinker will award this score very rarely.

Scoring your beer couldn't be simpler and can be done in any pub or club listed on our site. Just click to add a beer score after your visit. You'll input the date and rate the quality of the beer served. It's a great way to share your experiences and guide fellow beer lovers.
